SIX WEEKS OF DIGITAL LIFE

What lives on the Hub.

01 The broadcast, packaged for marketer rewatching.

Full session and a 90-second highlight cut. Designed to clip and share without us asking.

02 "Who is GGP" one-pager.

For marketers to share internally with their brand teams. Mission, scale, partnership history.

03 A POV on underestimated communities and Hasbro brand affinity.

A one-pager marketers carry into Monday's brief: how LGBTQ+ pro communities, and the coalitions GGP convenes, act as early signal, brand multiplier, and trusted voice for the Hasbro brands they love.

04 Power Up share posts, pre-written per brand.

Optional drafts marketers can edit and share under #HasbroMarketingXP. Built so the +50 share moment is easy to take, never required.

Editorial workflow. Brand safety by design.

GGP x HASBRO MARKETING XP · JUNE 2026

All Hasbro brand references are reviewed and approved by your brand teams before broadcast and before anything lands on the Hub. No surprises on the day.
